

How to approach our company site:

Our company is located in Pfaffenhain, Fabrikstrasse 1, just off the Federal road B169

From Stollberg/Niederdorf direction:

- Before the level crossing, take the street „Fabrikstrasse“ to your right
- After 100 m, you'll see the parking for visitors on your right

From Chemnitz direction (B169):

- Follow the Federal road B169 and traverse the level crossing. The company entrance is about 100 m on the left side of the level crossing.
- To avoid this dangerous left turn please follow the Federal road B169 past our building and make a U turn when possible, returning to make an approach from the right.

From Jahnsdorf/Adorf direction:

- Drive till the Federal road B169
- Turn right and before the level crossing turn right in to the street „Fabrikstrasse“
- After 100 m, you'll see the parking for visitors on your right

Please use the intercom facility, when you stop in front of the security barrier.

You will find visitor parking facilities in front of the main building.

If using a GPS navigation system which does not recognise “Pfaffenhain”, we would advice you to put in “Jahnsdorf/Erzgebirge” and “Fabrikstrasse”.
