

Press release

September 2007

New General Manager at the ABUS subsidiary Schließanlagen GmbH Pfaffenhain

**Wetter/Ruhr. With effect from 1st September 2007
previous Pfaffenhain Sales Manager Andreas Colditz
has taken over the full general management from Chri-
toph Rainer, who has retired.**

At the age of 65, Christoph Rainer has gone into well-deserved retirement. He has worked for Schließanlagen GmbH Pfaffenhain for 25 years and the last five years within the ABUS Group. The ABUS Management thanks Christoph Rainer for all he has achieved and all he has done for the company, the members of staff, the business and general partners and wishes him the best of health, happiness and God's blessing.

His successor Andreas Colditz, previously Sales Manager, has been working for the company for 17 years in various positions. Primary objectives in the next few years are to increase the competitiveness and operating efficiency of the company as well as to optimize the production process.

Tina Swoboda a colleague with a long experience at Schließanlagen GmbH Pfaffenhain has taken on the duties and responsibilities of Sales Manager.

*The ABUS subsidiary Schließanlagen GmbH Pfaffenhain is a worldwide locking systems specialist. The cylinders are exclusively manufactured in Pfaffenhain. The 7-stars hotel „Burj Al Arab“ in Dubai, the “Emirates Palace” in Abu Dhabi and the Ferrari factory in Maranello, Italy, among others, feature Pfaffenhain cylinder systems.
